

## CONTACT SPRAY

kod EAN: 5907588402804 nr art.: 001037 poj. 400ml

## PROPERTIES

Contact spray is specially formulated to clean and degrease: spark plugs, interrupter and all other electrical parts. It facilitates ignition and assists in the operation of the electrical system while at the same time acting as an anti-corrosion agent protecting against moisture, corrosion and rust. Protects against oxidation of contacts, wires and fuses. Prevents voltage loss.

## COLOUR

colorless

## METHOD OF USE

Shake the container for about 3 minutes before use. Apply generously to the desired component. Remove excess with a cloth. In case of heavy soiling, repeat the operation.

## NOTES

**Do not apply to varnished wires and electrical windings - the product dissolves resins.**

## APPLICATION

Mix thoroughly

Apply generously to the desired component

## PHYSICAL PROPERTIES

physical state: aerosol  
density at 20°C: 0,682 g/cm<sup>3</sup>

## STORAGE CONDITIONS

Protect the product from excessive heat and cold. Avoid direct exposure to sunlight. Store in a dry place.

## SHELF LIFE

24 months from the date of production placed on the package.

## SAFETY

See Safety Data Sheet.

## OTHER INFORMATION

All technical data are approximate values. We advise you to test the material to ensure suitability for your specific application. The producer reserves the right to improve the product and change the technical conditions with the possibility of making changes inside the specification.
