

## TECHNICAL DATA SHEET

### AIR CONDITIONING REFRESHER SPRAY

**EAN code:** 5907588402842 item no.: 001403 cap. 200ml

#### + PROPERTIES

Special product refreshing the air conditioning system in motor vehicles. It removes bacteria, dust mites, and fungi from the system, thus eliminating unpleasant odors that occur during ventilation system operation. The product has a consistency of foam and a fresh, lemon scent. It comes with a 60 cm applicator nozzle for precise application.

#### • COLOUR

white

#### ⤿ METHOD OF USE

Keep the container upright during use. Set the air flow only through the vents in the center of the dashboard. Turn on the "air recirculation" mode, maximum air supply and lowest temperature. Turn on the air conditioning.

#### /// APPLICATION

Mix thoroughly

Inject the product directly into the inner intake opening located in the lower part intended for legs using long pulses until the can is empty. Use the entire contents of the can.

Turn off and wait 10 minutes before turning on the air conditioning

Turn on the air conditioning

**PHYSICAL PROPERTIES**

Physical state:	aerosol
Temperature of use:	+10°C – +35°C
