

## POLISHING PASTE B100 - ONE STEP

EAN code: 5907588405256 item no.: 003500 cap. 250ml

EAN code: 5907588405263 item no.: 003501 cap. 500ml

### PROPERTIES

Polishing paste BOLL B100 is the highest quality product used for polishing various types of surfaces. Thanks to its formulation, it can be used as a one-use product guaranteeing complete removal of deep scratches and obtaining a very high gloss. Suitable for all types of both fresh and old lacquers.

### COLOUR

○ white

### METHOD OF USE

Apply a small amount of paste on a properly selected polishing sponge attached to the polishing machine. Then, using a sponge, spread the paste on the part and start polishing, starting from the lowest speed. Gradually increase the speed of the polishing machine, taking care not to exceed 2 000 rpm. This product can also be applied by hand. The best effect can be obtained in combination with BOLL B200 paste.

### NOTES

**Do not use on hot elements!**

### APPLICATION

Mix thoroughly

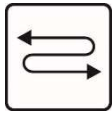

Can be used by hand and machine

Apply to sponge

Maximum 2000 rpm

Use zigzag

Wipe with microfiber
