

**LAMBSWOOL DISC**

EAN code: 5907588450041 item no.: 0060031 Ø 180mm, Ø velcro 150mm

**PROPERTIES**

Velcro polishing fur is used for polishing all paint coatings with cosmetic agents. Natural sheepskin prevents the surface from overheating. Removes aged dirt and oxidized paint from deep scratches and dings. Restores natural colour and shine to lacquered surfaces. Suitable for all types of lacquers.

**METHOD OF USE**

Mount the fur on the polisher using the BOLL Velcro mounting bracket. Apply a small amount of polishing paste, abrasive paste or cosmetic agent (shining or waxing) to the fur surface. Polish with the outer part of the disc.

**OTHER INFORMATION**

All technical data are approximate values. We advise you to test the material to ensure suitability for your specific application. The producer reserves the right to improve the product and change the technical conditions with the possibility of making changes inside the specification.
